AMENDMENT

Sir:

In response to the Office Action mailed July 25, 2002, please amend the above-identified application as indicated below:

IN THE SPECIFICATION:

Delete the four paragraphs at page 4, line 8, through page 5, line 11, and replace them with the following five paragraphs:

A side view of one embodiment of a printing press 10 that is used to manufacture multiple die cut business forms according to principles of the invention is shown in Fig. 1. Printing press 10 comprises a number of individual stations that perform specified functions and are connected together by a continuous web so that, for example, multiple die cut business forms may be manufactured in a variety of output configurations directly from a source of stock paper as described in greater detail hereafter."
